Integra® Padgett®
Electric Slimline Dermatome Model SB

Limit Uncertainty with quality and power from the brand you trust. Integra has adapted its premier dermatome for cadaveric use. The Model SB was redesigned — using input from our customers around the world — to deliver a dermatome that is lightweight and powerful.

**Functionality**
- Powerful 48 volt motor

**Flexibility**
- Validated for steam, ethylene oxide, and STERRAD® sterilization

**Stability**
- On/Off thumb switch conveniently located on the top of the handpiece
Quality
• Padgett’s tradition of offering high quality instrumentation
• Reliable and consistent Integra Padgett blades

Power
• Powerful 48 volt motor
