LIMIT UNCERTAINTY

## Surgical Instrument Solutions

Access. Illuminate. Operate.

# Your Essential Resource

## Your First Call

Integra's knowledgeable clinical consultants and surgical specialists provide comprehensive surgical solutions to help your staff deliver quality patient outcomes while lowering costs.

## Your Comprehensive Solution

From sterile processing to the operating room and back again, Integra provides the services and products you need to limit uncertainty.

## Your Source for Quality and Value

For more than 25 years, Integra has provided leading healthcare organizations with the right mix of products and solutions. Integra's manufacturing excellence and superior standards mean you don't have to compromise top quality for the best value.

# Total Surgical Solutions

## Access

– Integra can equip your facility for both open and minimally invasive surgery.

## Illuminate

– Premium LED and xenon lighting solutions from Integra provide optimal visualization, which supports better surgical outcomes.

## Operate

– From neurosurgery to podiatric procedures, the Integra enterprise has the surgical tools you need.
