Ronald P. Gruber, MD, has designed and selected a variety of instruments for use in most rhinoplasty procedures, available only from Integra® Padgett®. A full description of this set and its components can be obtained from your Integra representative or by visiting www.integralife.com.

Dr. Gruber, a recognized leader in rhinoplasty procedures, is a founder of the Rhinoplasty Society and has published over 50 articles in scientific journals.

The set can be purchased complete or as separate components. Dr. Gruber does not profit from sales of the set; all royalties are donated to PSEF (Plastic Surgery Education Foundation).
United States, Canada, Asia, Pacific, Latin America

Availability of these products might vary from a given country or region to another, as a result of specific local regulatory approval or clearance requirements for sale in such country or region.

Always refer to the appropriate instructions for use for complete clinical instructions.

Non contractual document. The manufacturer reserves the right, without prior notice, to modify the products in order to improve their quality.

Warning: Applicable laws restrict these products to sale by or on the order of a physician.
