Skull Pins
MAYFIELD® Adult Disposable Skull Pins
Designed for a secure fit every time!

Fits all MAYFIELD® Skull Clamps to allow rigid cranial fixation.

• Supplied sterile packaged

• One-time use guarantees proper pin sharpness and length

• Patented “Wings” design of the pin body improves the fit into receptacle holes of all MAYFIELD® Skull Clamps

• With this innovative design, it is more likely that the skull pin will fit receptacle holes that may vary in diameter due to normal wear and use over time

• For a sure grip and easy removal from pin holders, unique “Finger Grooves” are also molded into the pin body

• Precision-machined skull pin tips ensure accurate pin penetration

• Plastic pin covers effectively prevent cross-contamination and are designed for easy removal prior to skull clamp application to the patient

Reference A-1072
MAYFIELD® Radiolucent Skull Pins

MAYFIELD® Radiolucent Skull Pins are engineered from synthetic Sapphire material to significantly reduce or limit artifacts during CT and MR imaging procedures.

Designed
to be compatible with all MAYFIELD® Skull Clamps

Single Patient Use

Sterile
Supplied packaged

Patented “Wings”
that improve fit into receptacle holes of skull clamps

Unique finger grooves
that provide a sure grip for easy removal

Precision-machined skull pin tips
to ensure accurate pin penetration

Plastic pin covers
that effectively prevent cross-contamination and are designed for easy removal prior to skull clamp application

“Pop-out” packaging
provides quick, convenient access to pins during pre-operative set-up

Reference A-2020
CT scan utilizing skull pin with stainless steel tip results in unwanted artifact.

CT scan utilizing MAYFIELD® Radiolucent Skull Pin resulting in clearer imagery, allowing enhanced diagnostic capability.

We’re pinning our reputation on dramatically improving your vision.
